

Home and Contents Insurance Star Ratings

We endeavour to include the majority of product providers in the market and to compare the product features most relevant to consumers in our ratings. This is not always possible and it may be that not every product in the market is included in the rating nor every feature compared that is relevant to you.

Home and Contents Insurance Star Ratings

We endeavour to include the majority of product providers in the market and to compare the product features most relevant to consumers in our ratings. This is not always possible and it may be that not every product in the market is included in the rating nor every feature compared that is relevant to you.
